

The Schizophrenia Treatment & Evaluation Program Needs Your Help!

2009 GIFT COMMITMENT

We need your support to continue providing needed treatments to people in our STEP Program. Working together, we can continue to help improve the quality of life of people with psychotic disorders.

Your tax-deductible gift will help to provide:

- OUTREACH and phone support to clients
- Continued CARE for patients who are uninsured
- Information and SUPPORT to families across the state
- Public EDUCATION to reduce stigma

Making It in the Community: What Works?

We invite you to listen and participate in discussions regarding mental health issues facing our community and state. We will review the current status of mental health reform in North Carolina and provide overviews of community treatment that works. A panel discussion will focus on what it takes to live in the community and to experience recovery from a severe mental illness.

Physician Credit and CEU Credit Available

Accreditation: This activity has been planned and implemented in accordance with the essentials and standards of the North Carolina Medical Society through the joint sponsorship of Central Regional Hospital (CRH) and the School of Medicine at the University of North Carolina. Central Regional Hospital is accredited by the NCMS to provide continuing medical education for physicians.

Credit: CRH designates this education activity for a maximum of 3.25 AMA PRA Category I Credit(s)™. Physicians should claim credit commensurate with the extent of their participation in this activity.

CEU credits offered: .35

Commercial Support: Central Regional Hospital adheres to the North Carolina Medical Society's guidelines for commercial support. All faculty members are required to disclose significant, relevant relationships with which they or a spouse/partner have, or have had within the past 12 months with companies or commercial supporters of any products/services that is/are related to the presentations at this learning activity. All relevant disclosures or that there are

Note: It is the policy of The University of North Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or auxiliary aids mentioned in the Americans with Disabilities Act in order to participate, please call Janice Linn at 919-966-8990.
